

Mark-it™

Dry-Erase Paper Easel Pad

Mark-it Self-Stick, Dry-Erase Paper Easel Pad products turn any easel stand, wall, door or smooth surface into a dry-erase board. Dry-Erase sheets are easy to apply, remove and reposition. They can be used with any dry-erase, wet-erase or permanent marker, pen or cleaner.

Each easel pad contains over fifty square feet of durable, high quality, dry-erase paper. Sheets are reusable, (even when used with permanent markers and cleaners) and save money, time and the environment.

Item	Description	Pkg. Qty.
101	25" x 30", 10 sheets	2

Mark-it Self-Stick Dry-Erase products turn a smooth surface into a dry-erase board.

Self-stick backing for mounting on any clean, smooth surface.

Easy to apply, remove and reapply.

Self-Stick, Dry Erase Products

Sticks just about anywhere...
Turns a smooth surface
into a Dry-Erase board!

Mark-it[®]

Self-Stick, Dry Erase Products

Mark-it Self-Stick, Dry Erase Paper, White Film and Easel Pad products can be used with any dry-erase marker, permanent marker/pens and cleaners.

Both paper and white film products are available with a full adhesive backing or 1" adhesive strip that can be applied, removed and /or repositioned as needed.

Convenient, inexpensive, portable and disposable. Mark-it products provide a low cost, high quality alternative to bulky and expensive dry-erase boards.

Great for use on meeting or conference room walls, doors, retrofitting of existing worn dry-erase surfaces and for many other uses in the office, school or home.

Mark-it Self-Stick, Dry-Erase roll and sheet products can be combined to create one large dry-erase surface. All Mark-it paper and polyester film products come with a long lasting dry-erase surface and easy to identify self-stick backing.
